

BIO-FOMO[®] 0

Form Oil

Winter use Form Oil

BIO-FOMO[®] 0 is a bio-based form oil for concrete with exceptional low temperature properties. The product has been developed for the future to meet the demands on environmental friendliness and independence of fossil resources.

All products in the FOMO[®]-series are

- Odorless and gives an excellent surface finish without discolorations.
- Fully REACH-compliant and not classified as hazardous according to EU-regulation 1272/2008 (CLP)
- Not classified as dangerous goods
- Bio-based & Biodegradable

BIO-FOMO[®] 0 is especially suitable for use in wintertime at very low temperatures. The product is recommended for temperatures between -10 to -25 °C.

Use

The product is applied in a thin even layer with a low pressure compressed air sprayer or a paint roller. Mop up surplus oil to avoid pore formation. 1 Liter will cover 30-50 m².

Technical Data

Viscosity at 40 °C	4 mm ² /s
Flash point	87 °C
Biocarbon content ¹	99%
PCF ²	237 g CO ₂ /kg
Readily Biodegradable ³	

¹ASTM D6866, ²Product Carbon Footprint (cradle to gate), ³All components degrades to at least 60% in 28 days in OECD 301B.

Storage

Should not be stored in direct sunlight. Can be stored in unbroken containers for up to 3 yrs.

Environment & Safety

See the product safety data sheet for full information on safety and handling.

Product Composition

Developed and manufactured by Biobase Sweden AB from renewable raw materials. Bio-based product according to EN 16575:2014.

Packaging

5L, 25L, 208L Drum, 1000L IBC

CN-number 3403 99 00 00
