

Area of Application

ESSVE Hammer drill SDS-Plus is designed for drilling in hard solid materials for example concrete and brick.

The unique design is patented and offers quick and safe drilling. The drill bit is made in Germany and is tested regularly by the German PGM, *Prüfgemeinschaft Mauerbohrer*, see the marking on the drill bit. For hammer drill between 2-4 kg.

Description

Hammer drill SDS-Plus is made of high quality steel, which ensures the longevity of the drill.

ESSVE Hammer drill bit SDS-Plus, 2-cutter

Technical data and packing
